## EDUCATION

### East Central High School

GPA: 3.9, Class Rank: 21/748

2023

### Texas A&M University-San Antonio

Major: Computer Science

2027

### Code2College Alumni

2023 - Current

## TECHNICAL SKILLS

**Programming Languages:** Python, HTML, JavaScript, CSS, Markdown, JSON, Java

## PROFESSIONAL & TECHNICAL EXPERIENCE

### GitLab

Summer 2023

#### *Software Engineer Intern*

- Edited and maintained GitLab's digital handbook using Markdown, ensuring clarity, accuracy, and alignment with company policies and procedures
- Innovated by transforming the workspace environment to display real-time project statuses as badges, enhancing visibility and facilitating quicker decision-making processes
- Contributed to a fluid and transparent work culture by implementing workspace improvements that provided immediate visual indicators of project statuses

### American Express

Summer 2022

#### *Software Engineer Intern*

- Created a full-stack development app to integrate with Slack by using Python, API, and JSON
- Achieved the development of the foundation for future app expansions and feature enhancements, laying the groundwork for continued development and innovation
- Collaborated with front-end, back-end, UX colleagues, and fellow interns daily

### Code2College

2022 - 2023

#### *Bootcamp*

- 9 week web programming course including basic and advanced Python concepts
- Developed several technical projects in Python using intermediate concepts
- Attended professional development workshops to improve time management, professional skills, and technical portfolio development

## LEADERSHIP & COMMUNITY SERVICE EXPERIENCE

### Hill Country Karate

2016 - 2019

#### *Assistant Instructor*

- Directed and lead different exercises to the junior class of students
- Taught junior class new skills or went over previous skills taught
